Comments:

I live at 2011 Draper Street, Delaware City, DE in one of the townhomes along canal in the Canal District at Fort DuPont. I believe it is required that we receive notification of this hearing under Title 7, Chapter 72. We received no such notice. I don't think any of our neighbors along the canal in adjacent townhomes received it either. It's not right that activities that would have an impact on us and our home would not be brought to our attention.
